

## MINISTERING TO PEOPLE BY REFERRALS

People sometimes experience difficult situations in life because life is complicated, and people are in varying degrees of relationships. Our desire is to help members make sense out of life when life is not making sense. It can often be beneficial for a member to seek counseling during these times.

It is important that Life Group Leaders recognize when ministry is beyond their scope of ability and refer the Life Group member to the Adult Discipleship Office.

When making a referral, keep in mind:

- Biblical Counseling is available to all CFBC members by appointment at no cost.
- Biblical Counseling is available to non-members by the Adult Ministry Pastors and scheduled through the Adult Discipleship Department.
- Please utilize your CFBC staff for situations beyond your abilities.
